
SCENARIO:
A truck from a ship chandler service arrives at the facility. It is carrying a suspicious, unknown load not listed on the manifest.
Appoint an observer for this drill.

LOCATION:
- Facility – security guardhouse – reception

PARTICIPANTS:
- PFSO
- Security guards
- Facility personnel
- Observer

OBJECTIVES:
- Check whether the correct procedure for access to the facility is used
- Check whether an incident report is drawn up
- Give personnel experience with “suspicious situations”
- Give personnel training in awareness and recognition
