SCENARIO:
Check the inventory and location of dangerous goods/substances stored within the facility.

CHECKLIST:
- Are the inventories of the dangerous goods/substances immediately available?
- Compare the inventory with the actual situation

LOCATION:
- Facility

PARTICIPANTS:
- PFSO
- Security guards
- Facility personnel

OBJECTIVES:
- Ensure that an up-to-date inventory is available as necessary
- Ensure that the location of dangerous goods is monitored correctly, so that action can be taken rapidly if necessary
- Assure constant monitoring of dangerous goods, so as to prevent sabotage, contamination or misuse of these goods
