**DRILL 40**  
**Delivery of ship’s stores**

*Regulation 725/2004:*

**SCENARIO:**
When the security level is escalated, the Delivery of ship’s stores must be handled according to the ISPS procedure. Time this procedure: how long does it take for the complete Delivery of ship’s stores to be fully inspected?

**LOCATION:**
- Facility – Gate-in

**PARTICIPANTS:**
- PFSO as observer
- Where applicable, SSO
- Security personnel
- Ship’s supplier

**OBJECTIVES:**
- Test the procedures laid down in the PFSP
- Ensure that the procedure is known to security guards
- Carry out spot checks of goods supplied / ordered
- Check what happens to Delivery of ship’s stores that arrive without advance notice (what does the security guard do?)
