DRILL 42 } Handling unaccompanied baggage

SCENARIO:
CARGO
Get someone to deliver a package to the security guardhouse or porter’s lodge, with a request for it to be taken to a ship at berth. (Invent a believable explanation.)

CHECKLIST:
• Check that security personnel follow the procedure and report the incident correctly
• Measure the response time (for application of the procedure)
• Check how the threat level is assessed: how suspicious is the package considered?
• Check compliance with the procedure: drawing up the incident report form
• If necessary, update the details of the external bodies to be contacted

LOCATION:
• Facility – gate or security guardhouse/porter’s lodge

PARTICIPANTS:
• PFSO
• Security guards
• Facility personnel/reception

OBJECTIVES:
• Ensure that personnel know the procedure for Handling unaccompanied baggage
• Test the feasibility of the procedure
• Prevent bomb packages being taken onto the facility or ship
