SCENARIO:
Once all the passengers are on board, a suitcase is found after the check-in desk, in the transit zone (i.e. not yet on board). What do you do?

LOCATION:
• Facility transit zone

PARTICIPANTS:
• PFSO
• Facility personnel
• Security guards

OBJECTIVES:
• Ensure that the procedure is followed correctly by security and other personnel
• Ensure that the suitcase is brought safely on board, with security check, without causing unnecessary delay (if owner is identified and suitcase is harmless)
